

ADDENDUM #2

INVITATION TO BID

Snow Removal Services Bid 1746-15

Bid issued on October 15, 2015

October 27, 2015

To all prospective bidders,

The purpose of this addendum is to add optional “moving and hauling” of snow to the scope of services for Nelton Court.

At Nelton Court, moving of snow from one location to another within the development and hauling of snow off the premises may be required in the event of extraordinary snow falls. Bidders are requested to provide a *listing of equipment with hourly rates for equipment and driver* in “Contractor Information” Section 3 of the Bid Form – Line #7, Equipment to be used.

It is not mandatory that bidders offer moving and hauling equipment as a condition of award for Nelton Court. The Authority reserves the right to award with or without this equipment.

All other terms of the bid remain the same. Questions should be directed to Linda Kennedy at bids@hartfordhousing.org or the phone number noted below.
